WRS322FDAM - Monochromatic Stainless Steel

Accu-Chill(TM) Temperature Management System

Save energy and cool your food quickly with this model's temperature management system. This intuitive system senses and adapts using built-in sensors to measure the internal temperature and activates the compressor only when necessary, delivering efficient cooling performance.

LED interior lighting

LED lighting makes it easy to see fresh and frozen food. It puts a spotlight on food and casts a more natural light on the contents of your refrigerator so food looks as it should.

Flush exterior filtered water and ice dispenser

Minimize the need for bottled water with an exterior dispensers that offers cold, filtered water and ice without opening the door, while electronic controls make accessing features easy. The flush dispenser also provides a sleek look.

ENERGY STAR® qualified

ENERGY STAR® qualified refrigerators exceed federal minimum standards to conserve natural resources and help save money on utility bills. These eco-friendly appliances are better for the environment and your wallet.

PUR® water filtration system

Kick the bottled water habit with the PUR® water filtration system. You'll help protect the environment by preventing the disposal of up to 3,000 plastic bottles a year and save over \$600 for yourself.* Select models offer filtered water from an interior or exterior dispenser.

Adjustable gallon door bins

Build your door storage to fit your needs. Adjustable gallon door bins easily move when and where you need to. The gallon-size bins can easily accommodate beverage jugs and other larger containers. Built-in handles on the EZ-Tote® door bins make it easy

to carry all your condiments to the table at once.

WMH32517AS - Black-on-Stainless

Sensor Cooking

Take the guesswork out of microwave meals. You can cook with confidence, knowing that a built-in sensor monitors the humidity level of food for you, adjusting time and temperature as needed during the cooking process.

Steam Cooking

Create more space on the cooktop. Now you can steam conveniently in the microwave for delicious, healthy meals. Enjoy flaky fish, tender vegetables and fluffy rice quickly and easily without the hassle or bulk of cooktop steamers.

Recessed, stoppable glass turntable

The recessed turntable handles larger items like cooking bowls so you can prepare caramel corn, party mix or soups in the microwave. The turntable can be safely stopped with the touch of a button.

Hidden vent

Streamline the appearance of the microwave exterior with a hidden vent that also simplifies cleaning.

1,000 Watts Cooking Power

With up to 1,000 watts of cooking power, Whirlpool® microwaves offer the flexibility you need to prepare all types of food, from frozen pizza to pot roast quickly and easily.

3-Speed fan/300 CFM

3 variable fan-speed settings let you match the right amount of ventilation to the dish being prepared.

WDF310PAAS - Black-on-Stainless

ENERGY STAR® Qualified

Whirlpool® dishwashers exceed government efficiency standards, so they are better for the environment and your wallet.

No One Has Fewer Repairs 16 Years In A Row

Whirlpool® dishwashers are designed to endure repeated use and to deliver years of reliable performance. No one has fewer dishwasher repairs 15 years in a row.

Resource - Efficient Wash System

This dishwasher's resource-efficient wash system cleans a full load of dishes using nearly 1/2 less water and energy. Whirlpool Brand's improved motor and wash system optimizes cleaning for better cleaning results versus the previous wash system and provides our quietest line of dishwashers ever.

CEE Tier 1 qualified

Select dishwashers exceed federal minimum energy efficiency standard by 15% to earn an eco-friendly CEE Tier 1 qualification. These advanced water and energy savings may qualify for rebates, contact your local utility company for program availability.

Tall Tub Design

This model's Tall Tub design allows you to load tall and odd-shaped items in both racks. An additional 3" of interior space compared to standard tub models makes room for extra-large items in the lower rack and plates or sports bottles in the upper rack.

White Plastic Interior

Quiet Partner(TM) I Sound Package

Whirlpool brand dishwashers offer many levels of quiet operation with this system of sound-reducing insulation.

Auto Soil Sensor
