## WFG540H0AS - Stainless Steel

### AccuBake® Temperature Management System

Achieve uniform baking results every time with the AccuBake® temperature management system. A built-in sensor monitors oven temperature and controls the cooking elements to deliver consistent, delicious results every time.

### TimeSavor(TM) Convection Cooking System

A fan in the back of the oven distributes hot air more efficiently to seal in flavors and juices. Now you can cook tastier roasts and bake bread with just the right texture and flavor.

### AquaLift® Self-Clean technology

AquaLift® Self-Clean technology delivers easy and odor-free oven cleaning in only 50 minutes. Our most energy-efficient cleaning self-cleaning cycle available uses water and low-heat to release baked-on foods from the bottom of the oven. When the cleaning cycle is complete, soils and excess water can be easily removed with a dry towel.

Industry's largest capacity range available

Cook multiple dishes for a large family meal or prepare treats for a bake sale with Whirlpool brand's 6.2 cu. ft. capacity electric ranges and 5.8 cu. ft. capacity gas ranges. Models with the largest capacity range available offer enough room to handle even your largest meals.

### DIMENSIONS

Gross Weight	187 LB
Height	46 7/8 Inches
Depth	27 7/8 Inches
Width	29 7/8 Inches

Dimensions shown are for planning purposes only. For complete information, see Installation Instructions packaged with product.

## WMH53520AS - Black-on-Stainless

### Sensor Cooking

Take the guesswork out of microwave meals. You can cook with confidence, knowing that a built-in sensor monitors the humidity level of food for you, adjusting time and temperature as needed during the cooking process.

### Auto adapt fan

Automatically adjusts fan speed by sensing cooktop heat. Variable fan-speed settings let you match the right amount of ventilation to the dish being prepared.

### Steam Cooking

Create more space on the cooktop. Now you can steam conveniently in the microwave for delicious, healthy meals. Enjoy flaky fish, tender vegetables and fluffy rice quickly and easily without the hassle or bulk of cooktop steamers.

### CleanRelease® interior

The industry's first silver metallic, non-stick interior requires no special cleaners—a damp cloth or sponge is all that's needed to remove cooked-on spills and splashes. Now you can clean up all types of splatters quickly and easily.

### Recessed, stoppable glass turntable

The recessed turntable handles larger items like cooking bowls so you can prepare caramel corn, party mix or soups in the microwave. The turntable can be safely stopped with the touch of a button.

### Hidden vent

Streamline the appearance of the microwave exterior with a hidden vent that also simplifies cleaning.

### 1,000 Watts Cooking Power

With up to 1,000 watts of cooking power, Whirlpool® microwaves offer the flexibility you need to prepare all types of food, from frozen pizza to pot roast quickly and easily.

### DIMENSIONS

Gross Weight	70 LB
Height	17 1/4 Inches
Depth	16 1/8 Inches
Width	29 15/16 Inches

Dimensions shown are for planning purposes only. For complete information, see Installation Instructions packaged with product.

## WDT710PAYM - Monochromatic Stainless Steel

Industry's Most Energy Efficient Dishwashers

use nearly 1/2 less water and energy without compromising performance.

SensorCycle\_80x70\_P110012\_21z.jpg

SensorCycle\_160x140\_P110012\_21z.jpg

Sensor Cycle

From baked-on casserole dishes to drinking glasses, the Sensor cycle has you covered. It automatically selects the right wash and dry settings for your load by using two separate sensors to measure temperature, soil level and load size once during the prewash and once during the wash cycle. It cleans tough soils 35% better while using just the right amount of time, energy and water, helping you have more time to do what you love.

No One Has Fewer Repairs 16 Years In A Row

Whirlpool® dishwashers are designed to endure repeated use and to deliver years of reliable performance. No one has fewer dishwasher repairs 15 years in a row.

ENERGY STAR® Qualified

Whirlpool® dishwashers exceed government efficiency standards, so they are better for the environment and your wallet.

CEE Tier 1 qualified

Select dishwashers exceed federal minimum energy efficiency standard by 15% to earn an eco-friendly CEE Tier 1 qualification. These advanced water and energy savings may qualify for rebates, contact your local utility company for program availability.

DIMENSIONS	
Gross Weight	85 LB
Height	34 1/2 Inches
Depth	24 1/2 Inches
Width	23 7/8 Inches

## WSF26C2EXY - Monochromatic Stainless Steel

### ENERGY STAR® Qualified

Meets government standards to help conserve natural resources and save money on utility bills.

### In-Door-Ice® Plus Ice Dispensing System with Fast Ice feature

We moved the ice maker and bin to the door to give you 30% more freezer space versus previous models. The ice bucket tilts out or can be removed with one hand and placed on the counter.

### 6th Sense(TM) Technology

Whirlpool Brand's 6th Sense(TM) package is intelligent technology that helps you get the job done better than you ever thought possible. 6th Sense(TM) Technology senses and manages what was once beyond your control.

### #1 Rated Brand for Side-by-Side Refrigerators

#1 Rated brand for side-by-side refrigerators, based on rating of Whirlpool Gold® model GS5VHAXW by a leading consumer magazine.

### FreshFlow(TM) air filter

Air actively circulates through our new carbon based filter. It is up to 15 times more effective than baking soda at reducing common food odors. Replace the filter every 6 months for optimal performance.

### Largest Crisper

The largest side-by-side crisper fits 85 apples and is humidity controlled to help preserve the freshness of fruits and vegetables.

### Temperature Management Enabled by 6th Sense(TM) Technology

Built-in sensors automatically adjust cooling to return existing food to the desired temperature in half the time. When selected, the Fast Cool feature immediately drops the refrigerator and freezer temperatures to accommodate new food additions. It runs for 24 hours unless deactivated by another selection.

### DIMENSIONS

Gross Weight	298 LB
Height	69 1/4 Inches
Depth	34 1/8 Inches
Width	35 7/16 Inches
